

Dear Colleague,

As part of the admission process for our Nurse Anesthesia program, we require students to complete approximately **8-16 hours of shadow experience with a CRNA within the year of applying to the program.** We hope that spending time with an experienced anesthesia provider will give them insight into the profession.

Please complete the information below and return this form to the applicant, who is responsible for submitting it with their other application materials. This form only indicates that the candidate completed the shadowing experience.

Thank you for taking the time to share our profession with a potential nurse anesthesia student.

Sincerely,

Nurse Anesthesia Admissions Committee
