Cost of Attendance (COA) Definitions:

- **Tuition** – Direct cost.
 - Class course costs at Lourdes University.
- **Fees** – Direct cost.
 - Include fees such as the University Student Fee.
- **Books, Course Materials, Supplies, and Equipment** – Indirect cost.
 - An allowance for books, course materials, supplies, and equipment needed for courses. Books are not included in tuition or fee charges.
- **Food and Housing (Living Expenses)**– May be a direct or indirect cost depending on housing and food type.
 - These are direct costs for students with a housing and food plan purchased through Lourdes University. These are indirect costs for off campus students and students living with parents.
- **Transportation** – Indirect cost.
 - An allowance for the cost of driving to and from campus.
- **Miscellaneous Personal Expenses** – Indirect cost.
 - An allowance for personal expenses students may occur which are not charged by Lourdes University.
- **Other Fees** – May be a direct or indirect cost depending on fee type.
 - Other fees include directly charged fees such as parking passes required to park on Lourdes University property.
 - Other fees may be indirect charges such as an allowance for professional licensure or certifications. Programs with professional licensure or certifications will have these fees

automatically added in their budget under “other fees”. If a student’s license or certification exceeds these allowances, please contact the Financial Aid Office.

**Actual federal loan fees are also included in the cost of attendance budget for all students using federal student loans. These amounts vary per loan amount and are determined by the current federal loan origination fee rate.*
